2<sup>nd</sup> of November, 2018

REFERENCE LETTER FOR : Sam Belliel

To Whom It May Concern:

This letter is in reference to a quality and responsible individual and volunteer, Sam Belliel. Mr. Belliel and his companion, arrived in Ecuador, 2<sup>nd</sup> of June 2018 and was with CABIA until 31<sup>st</sup> of October 2018.

Sam was an excellent example from the United States, and as an English teaching volunteer. He was able to join with private high school students and teach the students English to obtain their English language goals for graduation. Samuel was punctual, resourceful, and prepared for classes and ensured the students obtained all four important aspects of learning English: writing, listening, reading and speaking. Samuel always presented himself as a professional to the students, staff, and in the community.

Samuel also worked with private students, such as engineers, that needed to obtain a TOEFL (Test of English as a Foreign Language) certificate, which is internationally recognized. The students were well prepared through his teaching, so they were able to take the TOEFL exam. Once the students obtained their goal on the exam, they prepare for applications for their careers or universities overseas.

In conclusion, Sam and his companion also accomplished outside duties such as collecting finances from the school and private students and organizing different aspects of the business. As a part of their volunteering in Ecuador, he also displayed trustworthiness, organizational skills and maintained CABIA entirely while the President and Foundation Coordinator were in the United States for three months. As a result of his achievements, I believe, Sam to be an excellent leader.

It is my privilege to write on behalf of Sam Belliel and it has been a great pleasure, to have had him as a part of our team and I hope that one day he will return to Ecuador.

If CABIA can further assist in reference to Sam Belliel, please contact us at the below information.

Faithfully,

Barbara Haynes, Foundation Coordinator
